

Traffic Safety for Arrival and Dismissal

Please follow the traffic patterns as outlined below. These will help prevent congestion and possible accidents during hours of school arrival and dismissal. **There have been some changes for PM dismissal.**

AM Arrival:

- ◇ ALL CARS use the drive located in front of the school. Make a right turn onto the drive off of Friendswood Link. Form a SINGLE LINE along the curb. As cars leave, pull your car up as far as possible (to the last brick pillar). When exiting, turn left or right onto Friendswood Link Road.
- ◇ BUSES AND DAY CARE will approach the school from Friendswood Link and make a left or right turn into the Staff parking lot in front of the main entrance to the school. When exiting, they will turn left or right onto Friendswood Link.

PM Dismissal:

- ◇ All cars must will approach the school from Friendswood Link and make a left or right turn into the **Staff** parking lot. Form a SINGLE LINE along the far right curb. As cars leave, pull your car up as far as possible (to the last brick pillar). When exiting, turn left or right onto Friendswood Link Road. **Parents please do not park in the staff parking lot to prevent congestion or accidents. Do not leave your car unattended. Do not pass cars in the car rider line.**
- ◇ **Buses and Daycare- School buses use the drive located in front of the school. Daycare will use the Timpani entrance.** Turn into the drive off of Friendswood Link or Timpani. Form a SINGLE LINE along the curb. **Daycare please leave space for buses to turn into entrance.** As vehicles leave, pull your vehicle up as far as possible (to the last brick pillar). When exiting, turn left or right onto Friendswood Link Road. **Daycare buses must give right of way to school buses.**
- ◇ Walkers will be dismissed from the front of the school and turn either left or right to go home.
