### WHAT OUR PARENTS, STUDENTS AND STAFF THINK ABOUT OUR CAMPUS

In October 2018, a survey was conducted by YouthTruth Survey. 503 students, staff members and parents responded. The data below highlights our accomplishments, showcases how we are viewed, and areas where we can grow.

According to one 3rd grader, "The best thing about my school is every teacher that I know has treated me with respect and I really like it because it makes me feel wanted and important. I also like that my school shows diversity and we don't judge people for what they look like."
